

Safety Lens Portfolio Expansion

Cr39-Safety lens for Low Impact

This product launch is an expansion of our existing safety lens products and compliments our existing range of safety lens options. This launch allows us to expand into a new area of prescription safety eyewear, that of Low Impact.

- Utilizes current HOYA safety range portfolio
- Available in clear, Transitions and Sun IQ except Vocational products and no Bifocal Sun IQ option
 - Grey and Green tint available 75% density
 - Fully Certified to AS/NZS 1337.6.2012.
