

HOYA Safety Ordering Instructions

- Step 1. Log into the secure section of the site
- Step 2. Click on 'HOYA Safety' tab on the left hand side of the screen

The screenshot displays the HOYA website interface. At the top right, there is a search bar and a 'LOGOUT' button. The main navigation menu includes 'home', 'about us', 'vision solutions', 'your vision', 'safety eyewear', and 'eyecare professionals'. A large banner image features three people wearing glasses, with the words 'HOME', 'WORK', and 'LEISURE' overlaid. Below the banner is a 'SEARCH DOCUMENTS' field with a 'Go' button. On the left side, a vertical menu lists various resources, with 'HOYA Safety' highlighted in blue. The main content area shows the 'HOYA Safety Eyewear' section, featuring the HOYA logo and the text 'HOYA Phoenix Safety Lenses'. Below this, a paragraph describes the lenses: 'HOYA's PHOENIX lenses offer more than any other middle index lens materials; outstanding quality and undeniable safety as well as providing optimum visual performance.' A sub-section titled 'A new standard in Safety' states: 'Independent tests show that Phoenix Safety Lenses meets all the requirements of the 1337.6 standards for prescription safety eyewear.' The footer of the page includes the HOYA logo and 'Premium Optical Lenses'.

- Step 3. Scroll down the page to “To order HOYA Safety Eyewear” and click on ‘Click Here’

HOYA & Bollé have joined forces providing the highest protection in prescription safety eyewear with a great range of Safety Frames exclusive to HOYA.

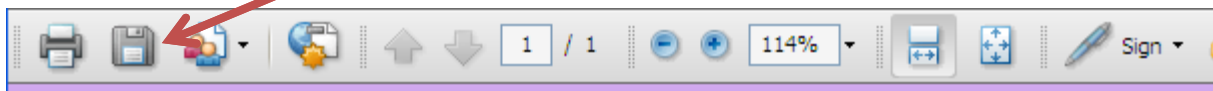

All Bollé safety frames are medium impact certified to the AS/NZS 1337.6 Standard for prescription safety eyewear when combined with Phoenix lens material.

For more information on Bollé/HOYA safety glasses contact your local HOYA Sales Consultant.
